

## Appendix I Brief Plan of Workshop

### Workshop Goal and Objectives

#### Goal:

Participants will articulate the elements of e-professionalism and apply them to curated sets of scenarios.

#### Objectives:

At the end of the workshop, learners will be able to remember **DAGaRR**:

- 1. Define** the terms and features associated with the concept of e-professionalism at an abstract level and concrete, i.e., behavioral, level.
- 2. Acquire experience** in defining and articulating professional and unprofessional behaviors by describing various behaviors related to a common set of experiences illustrated in the scenarios.
- 3. Gain perspectives** on how the same experience can be perceived from multiple perspectives of other individuals on a team (e.g., student, resident, faculty, family, society and council, etc).
- 4. Recognize** behaviors in yourselves and others that can be categorized using the elements of e-professionalism.
- 5. Reflect** on the workshop experience in terms of your behavior and that of others related to e-professionalism
